RE: Arizona Telephone Company, Message Toll/Operator Services Concurrence

Dear Ms. Madrid:

Enclosed please find the original and 13 copies of the following tariff sheet (s):

Section 21

Second Revised Sheet 1

The purpose of this filing is to break the Company's concurrence with Qwest Corporation for Message Toll Telephone Services. We are not billing toll revenues for Qwest and do not have a B&C agreement with them. Arizona Telephone Company is not a toll provider and therefore would only bill carriers access charges and they in turn would bill our customers that are PIC'd to them, directly.

While we are breaking this concurrence overall, we will maintain a concurrence with Qwest for Operator Services.

The proposed effective date for this filing is August 31, 2009.

If you have any questions, please contact me at (608) 664-4169.

Sincerely,
